Notice regarding an individual infected with the novel coronavirus

One of our employees at of our group company, T.F.C. Co., Ltd. (6-1 Ushijimacho, Nishi-ku, Nagoya) has been found to be infected with the novel coronavirus on Tuesday, April 27.

The said employee developed a fever on Saturday, April 24, and had been absent thereafter. A PCR test was then performed on Monday, April 26, and the result was confirmed to be positive on Tuesday, April 27. The said employee is now resting at home. An investigation carried out by the public health center confirmed that there were no close contacts.

Consequently, we have carried out PCR tests for employees working in the same department as the said employee. We have also suspended them from coming to the office and taken measures for disinfection, etc.

Our group companies are committed to continue to prevent the spread of infection by wearing masks, washing hands frequently, restricting business travel, introducing staggered working hours, and increasing telecommuting, etc.

We apologize for any concerns this may have caused to stakeholders. Thank you for your understanding.
